

PLC Membership Application

The Emerald Public Liaison Committee (PLC) has a mandate to provide community feedback on the operation of Emerald's energy from waste facility. The PLC will be a forum to:

- Exchange information with Emerald about the facility and its operation,
- Review and commenting on environmental monitoring information,
- Review any proposal to amend these approvals.

Details on the mandate and operations of the PLC is included in the PLC Charter.

People interested in becoming a member of the PLC should complete the attached application. Please use the back of the page if additional space is needed.
